

New Municipal Marketplace ONLINE PRESENCE

If you do just one thing to connect to NHMA and its members, this is it!

New Online Presence Advertising Opportunity!

Every industry is trending toward digital technology, including municipal governments. Toward that end, NHMA has decided to phase out its publication, the *New Hampshire Municipal Officials Directory*. **But you will still be able to advertise your business on NHMA's website.**

NHMA is creating a new Municipal Marketplace to bring greater member attention to our Sustaining Supporters who provide products and services to New Hampshire's municipal governments.

The online *Municipal Marketplace* will provide a wide range of categorized municipal product and service listings that will serve as a quick source of information for municipal officials.

\$ 500

For just \$500 you get an online listing including: company name, contact person, link to website, company description and email/phone listed under up to three categories. You also get:

- Thank you listing in every issue of *Town and City* magazine (approx. 6,000 print and digital subscribers)
- Rotating home features page encouraging members to patronize Sustaining Supporters
- One time business card-sized promotion in *NewsLink* (1,050 +/- subscribers)
- One time member mailing list (Large Key Officials) in Excel format, upon request
- Complimentary digital subscriptions to *Town and City* magazine and e-newsletter, *NewsLink*

1. You get a clickable logo on NHMA's website.
